Company Profile

For more than twenty years of unfaltering commitment to Quality and Craftsmanship, Belhasa Joinery and Decoration enjoys its reputation in United Arab Emirates; as one of the leading Joinery and Decoration companies when it comes to meticulous attention to details and innovative designs; together with a flexible personalized approach which helped ensure that Belhasa Joinery always meet the most discerning clients' needs.

Established in 1988 in partnership with Mr. Ahmed Saif Belhasa; a prominent Dubai based businessman and chairman of Contractors' Association and UAE National Advisory council, Belhasa Joinery is one of the 31 prestigious companies under the Belhasa Group International.

We supply and install all types of timber doors; that is, solid decorative panel door, exotic veneered doors, solid and semi-solid flush doors, fire rated doors (30minutes, 60minutes, 90minutes and `120 minutes fire rating), door frames, carving works, decorative wooden screens, pergolas, handrails and balustrades, kitchen cabinets, wardrobes, furniture with polyurethane and polyester polish, paint and laminate finishes. We also do ornamental wooden gypsum decorations and gypsum partition works. In addition, we also carry out complete turnkey and fit out jobs as well as interior design consultancy.

Our doors are approved by **Dubai Civil Defence** with 3rd party certification from BM Trada-UK (**Q-Mark Limited International Scheme for Fire Doors- BS 476 Part 22**). We also have **ISO-9001:2008** certification for Quality Management System.

We have an efficient administrative body consisting of Managing Director, General Manager, Projects Manager, Site Engineers, Chief Accountant, Assistant Accountants, Estimators, Sales Executives Draftsmen, Factory Production Managers, Designers, Purchaser; Management Representative for Quality, Store Keepers and Secretary.

Aside from these, we have Foremen, Skilled Carpenters, Machine Operators, Semi Skilled Carpenters, Polishers and Painters, Electrician, Gypsum Workers, Masons, Unskilled (labour) and Drivers

We are one of the most qualified concerns among the timber joiners and our factory is dedicated to manufacture of high quality joinery products. Our factory is equipped with up to date manufacturing techniques and with strict quality control procedures to meet the needs of today's demanding world.

Vision

- ◆ To produce competitive products complying with International standards
- ◆ To achieve and maintain a level of quality which enhances the organization's reputation with customers and to maximize customer's satisfaction.
- ◆ To ensure compliance with relevant statutory and safety requirements
- ◆ To continually improve our level of competency while offering a competitive and pleasant working environment for our employees.

Quality Policy

"Quality is our main concern."

BJD's quality policy as stated below is distributed to all departments.

- a. To provide excellent quality of products and services to customers. Maintain courtesy, timely response and provide accurate information when dealing with them. **"Doing it right on the first time"**- to minimize complaints, non conformity and cut cost.
- b. Committed to continuous quality improvement by reviewing the effectiveness of the processes, providing training to workers and staff if found necessary, conducting surveys to improve customer feedback, conducting management review to assess the effectiveness of the system.
- c. To adhere to all statutory requirements.

Safety Policy

"For our people and the community"

The hazardous nature of our industry requires the highest standards of safety and health.

Safety and health is central to everything we do at BJD. No activity is permitted to come before the safety and health of employees, contractors or the community. Work must cease if safety cannot be assured.

We commit to the prevention of injury and harm and strive to continuously improve our safety and health performance.

Objectives

To implement this Policy we :

- identify, assess and manage risks that the workforce, customers and the public face due to our activity;
- meet, and where appropriate, exceed legal and industry safety and health standards;
- require the same standards of compliance from all contractors, partners and suppliers;
- develop and support BJD's employees, and provide resources to meet our Safety, Health and Environmental program Vision;
- communicate with and engage all interested people on safety, health and environmental matters in an open, transparent and timely manner; and
- Systematically address deficiencies and deliver opportunities for improvement, through the application of our Safety, Health and Environmental Management System.

Application

Working with the assistance of a Safety, Health and Environmental program representative, the top management will ensure that all operations in their businesses have a SHE management system in place that is designed to achieve BJD's SHE operational goals. These goals are:

- Provide for a safe working environment for all our employees, independent contractors, vendors, and customers;
- Be good neighbors in our communities by preventing unreasonable risks to public health and the environment;
- Eliminate unreasonable SHE risks from our products, processes and activities;
- Minimize waste and emissions by using source reduction, recycling and reuse where appropriate
- Seek to continuously improve our SHE performance.

Plant and Machineries

Our Workshop is located in Al Qusais Industrial Area No. 5, in a 70,000 sq.ft. plot, BJD is fully equipped with all necessary machineries for joinery works such as

- | | |
